JANUARY 2011 ISSUE

## A MESSAGE FROM YOUR DISTRICT GOVERNOR

Greetings all Lions, Lioness and Leos.

HAPPY NEW YEAR. It's hard to believe but here we are in 2011. A full 12 months to reset goals, objectives and direction for ourselves. Being said, we have only 6 more months remaining in our Lions year to hit our goals and make a difference in someone's life. How are we doing?

I have to say not as well as I had hoped. We are still losing members faster than we can add new ones. Are we all being that "Beacon of Hope" that we have been ask to be? As resolutions are set by many do we all need to revisit our Lions resolutions? We are still by far the best non-profit service organization providing service to those in need around the world and also in District 14-L. Why don't we help ourselves by growing our ranks and adding more hands to the work force? The more we have, the more we can do. Please make this a point of discussion at your club and make it a personal objective this week to ask that relative, friend, co-worker or neighbor to consider becoming a Lion. It could be the best advice you have given so far this year.

I don't want to dwell on membership, that chart attached tells the story.

On a more positive note, reading the recent Pride and Lions Magazine it is encouraging to see what we and our organization is doing around the world. Our ability to provide help and relief around the world and around our neighborhood is amazing. I applaud all of our Lions that are a part of the team. With the Global Service effort on "Relieving the Hunger", take a look at your home area and see what can be done to provide that little bit of extra help in this area. Maybe it's the food bank or a family in need. I have seen from club reports many instances of free community diners or support for organizations providing meals. Keep up that good effort as we continue to Serve.

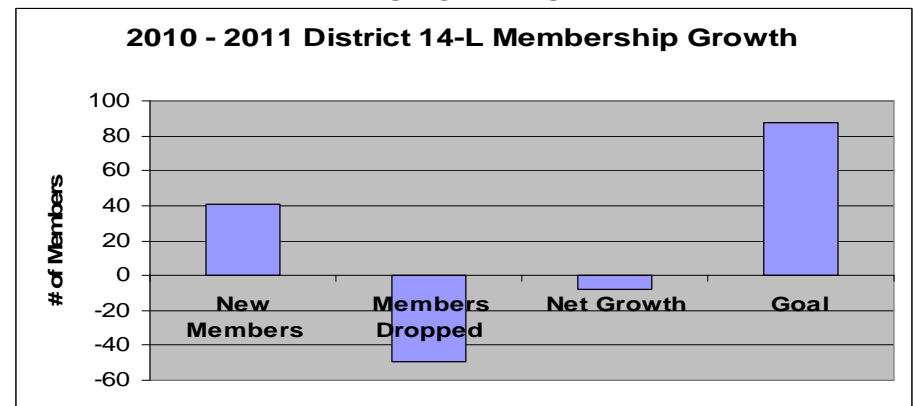

Lion Susan and I were invited to join in December with the newly formed Mt Union Leo Club for a dinner and brief presentation about Lions. What an enthusiastic group. I know that Lion Mike Price as their advisor will be continuing to build the club with plans to involve more youth in the area. Meeting with Leos, Mom & Dads and club members assured me that our Leo program is on the go and in good hands. These youth are the future of both the Lions organization and our society. Please continue to encourage the growth of the programs and look for opportunities to help our youth when we can. Do you feel a Leo club could be added in your area? Contact PDG Don Mills for help.

I personally have a number of club visits lined up in January and February and I am looking forward to meeting more Lions, Lioness and Leos in our District. We are fast approaching the time of Zone/Region Socials, please try to participate and get to know more of our fine Lions.

Last of all, don't forget the LCI Objectives: To Create, To Promote, To Take, To Unite, To Provide, and To Encourage. If we as Lions, Clubs and a District are meeting these objectives, we will only succeed. Thank you for your efforts as Lions.

Yours in Lionism,  
DG Larry

## FROM YOUR DISTRICT GOVERNOR ELECT

Now we are ready to start a New Year. It is hard to believe 2010 is over. We are now at the half way mark for the District as well as the clubs. I have read many of the clubs monthly reports and see that we are doing a lot for our communities around us. We have helped many families less fortunate to have a better holiday. We have brightened the lives of the elderly and the shut ins. Sometimes we as Lions overlook the obvious. Even a small gesture can go a long way any time of year.

Our New Years resolution for our clubs should be to make our meeting more informative, change the structure of our meetings, and to increase membership and keep the members we now have. Every club should set a new member goal for the balance of the year. They should make an assessment of their community needs and then list ways to accomplish them in the future.

In closing I hope to meet more of the District Lions as we make our visitations.

Yours in Lionism,  
VDG Dennis

### *From the Desk of 2<sup>nd</sup> Vice District Governor Bill Higgins, Jr.....*

With the Holiday Season, and two little girls bursting with energy and excitement, the month of December was hectic, to put it mildly, for the Higgins family. Despite the holiday "hustle and bustle," however, we did manage to have a very enjoyable Christmas. I hope that all of you took time from your busy schedules to be with your loved ones.

My wife, Amy, and I were fortunate to enjoy some fellowship with the Lions of 14-L at the annual Christmas party, and even had an opportunity to participate in a special Lions rendition of the "12 days of Christmas," anchored, of course, by PDG and editor of our newsletter, Gerald Chapman. (I was responsible for the "two turtle doves"). I was also honored once again to serve as Santa Claus for the Bedford Lions annual Christmas party. It is always a joy to see the smile on a child's face as they try to explain to Santa what they

want for Christmas and how "good" they have been throughout the year.

Now, it is time to refocus on the task at hand: preparing to serve the Lions of 14-L as District Governor, and supporting the efforts of District Governor Larry Edwards and First Vice DG Dennis Clark. As I type this, I am looking forward to attending the Lions Club Excellence conference in Harrisburg, on Saturday, January 8, 2011.

As you know, one of my primary goals as District Governor will be membership growth. I hope to report back to you next month with some enthusiastic plans on how we can approach this goal.

I have made arrangements to visit a few clubs in the coming weeks, and look forward to expanding that schedule. I thank each of you for your continued dedication to Lionism as we embark on another year together, and let us never forget what we do as Lions: We Serve.

Happy New Year!

Bill Higgins, Jr.  
2nd Vice District Governor (14L)

## PA LIONS ALL-STATE BAND

Dear Band Directors, former, present or future Pa. Lions All-State Band Members:

For the last 29 years, the Pennsylvania Lions have organized an All-State Band to accompany the PA Lions to the annual State and International Conventions. This past weekend at the State Council meeting in Harrisburg a very important decision was made by the council of governors. The decision was for the band to not participate in Seattle, the site of the 2011 International Convention, and instead save the money and go to Busan, Korea for the 2012 International Convention June 22-26, 2012. There is a tremendous expense to do Seattle alone and we can not afford to do both. We in Pennsylvania are honored to have Past International Director Dr. Harold Ott as a candidate for second vice-president of Lions Clubs International and his candidacy would be declared at Busan. We should be there for this momentous event and help to show our support for PID Ott. This will be a large undertaking with finances as well as logistics with all having passports and instruments, etc. I would hope that all of you would consider participating in this awesome event. We will be taking a smaller group limited to 80 performers and 20 chaperones to help with the financial situation. We will do all we can to limit the fee for this event so all can afford going. The schedule then would be not go to Germany in 2013 but go to Toronto in 2014 with a full band of 120 plus performers and the normal number of chaperones. PID Ott would become International President at this convention. We then have Hawaii the next year. Wow! We have so many wonderful opportunities to play great music and learn about Lionism in the future.

I hope this helps everyone plan their summers for a while. Several phone calls have come my way asking about dates for the Lion Band and thus the reason for this letter.

Please remember we will have the State Lions Convention each year also. This spring we will be in Cranberry Township, Pa. on May 20-21, 2011. All lodging and meal expenses are covered by the PA lions while at the convention. Students need only provide transportation to and from the convention site. For students from areas in the east that would contribute to the success of the Band, the lions will charter a

bus having several stops. This will bring students to and from the convention. Remember we normally limit the State Band to 80 performers so apply ASAP so we can work on the music and instrumentation. I will attach the standard application to this letter for you to send to me. PLEASE make sure I can read your information. I had to guess at some of the addresses last year.

If you were a member in the past, you will recall the fun times you had; and if you are a “first timer” you can look forward to an exciting musical experience. We encourage you to apply and to invite other musicians to join us in Cranberry. More information will be sent at a later time announcing where we will rehearse and stay. To be sure that we have a bed and enough food it is imperative that you immediately return the enclosed form, please send it to: **Ray Barfield, 664**

**Country Ridge Road, Bedford, Pa. 15522.**

**My phone numbers are: 814-623-0384 (home), Cell – 814-937-0511), Work – (814-623-4250 Bedford High School)**

The Lions All-State Band wears a light weight marching/concert uniform for all performances. Students will be provided with a PA Lions shirt and a cummerbund and sash as part of the uniform. You will however, need to supply the following items: **White** slacks/trousers, **white** shoes and white socks, music stand and a sturdy instrument lyre for marching band.

For those who wish to leave with their parents, immediately after the concert, please check with Mr. Barfield or Mr. Zellner. Thank all of you for sharing your talents with the world and supporting the Lions of Pennsylvania.

Sincerely,

Ray Barfield

Pa. Lions All-State Band Chairman
