LIONS INVESTING IN SERVICE

FEBRUARY 2011 ISSUE

A MESSAGE FROM YOUR DISTRICT GOVERNOR

Greetings all Lions, Lioness and Leos.

Winter is definitely here. Single digit temperatures, blowing snow and icy sidewalks. Not much opportunity to get outside and provide the types of Lions service that we enjoy. Why not a good indoor Service Project? This is a great time of year to hold eye screenings, public awareness sessions for at risk individuals and many other types of projects. Pull your member team together and challenge each other to come up with a Service Project that can be accomplished in the cold weather. Share the results with all District Lions by having it posted on the District Web Site.

With the end of January I have completed 33 of my club visits (including Lioness Clubs). I can truly say that this has been the best part of being a District Governor. Being able to spend time with a club and hear what types of service they are performing and how well they interact with their community. We all should be proud of the work that our clubs perform. If Lions were not on the scene doing what we do who would pick up the slack? I don't believe anyone would. Keep up the great work and let others know what you and your club are doing. I keep saying the Lions are the best kept secret. Let's be that Beacon of Hope and let others see our Beacons shining.

Twelve Lions from our District attended Club Excellence training in Harrisburg in January. This is a new program from LCI directed at helping clubs improve program, service, membership and club management. It is what we need today. As membership continues to drop and some Lions are feeling like they are not getting enough from their club, the Club Excellence Program is here to help. **Club Officers, come out to the Cabinet Meeting on February 13th in Roaring Spring and hear State Membership Chairman PCC Dan Swincinski explain the program. If this is what your club needs let 1st VDG Dennis Clark or me know and we will find resources to help your club. Sometimes looking in the mirror and making a change is important.**

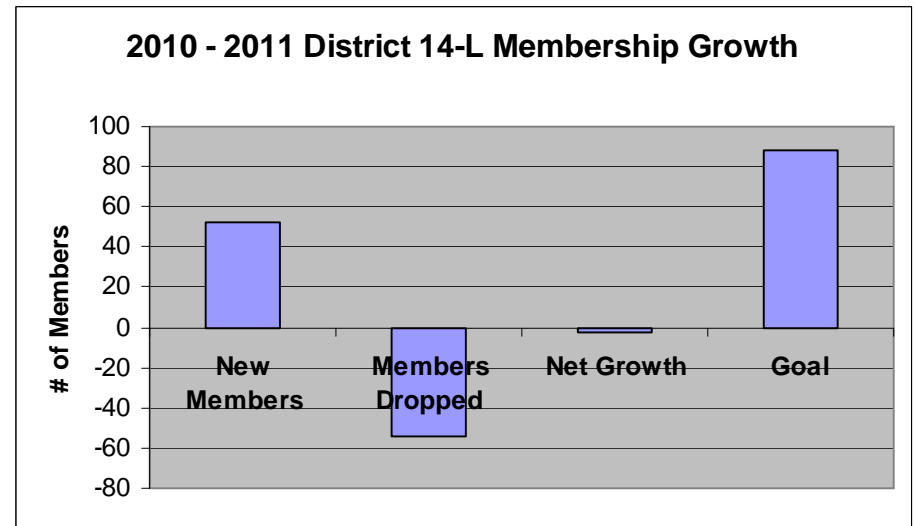

Congratulations to four Clubs for contributing 11 new members in January. Way to go Hyndman-Londonderry with 6. That brings us back to a -2 net members. Still a long way from my goal of a net plus two for each club. This is February and we still have five months to turn the tide. If you or your club has not brought in a new member this Lions year, please make it a priority to turn the heat up on membership. The more members, the more hands to help in those service projects.

With the thought of Spring not too far off remember the coming events of the District, Region and Clubs; Region Socials, Cabinet Meetings, Spring Rally, Zone Meetings, Officer Installations, State Convention, International Convention to mention a few. As Lions we need to participate in our club events and also with our fellow Lions in many of the other opportunities that we have. By doing so you will meet more interesting and dedicated Lions while picking up tips and ideas that are bound to help your club. Please give it thought and join in. Yours in Lionism, DG Larry

FROM YOUR DISTRICT GOVERNOR ELECT

It's hard to believe January is over and February has started with all the snow and cold weather. I hope all you Lions are taking care to stay warm and watch your footing on the walkways. This would be a good time for Lions to check on their neighbors and other community people to see they are staying warm. If not, maybe you could make this a current club project to help some folks.

I know we are watching to see what the ground hog does, but we have to make the best of the winter situation at hand.

Anna and I are preparing to go to the State Council meeting on February 4-6 in Bethlehem Pa. Hope to see some of you there, also hope the weather clears.

The next get together will be our February 13 Cabinet meeting. I understand there will be some great presentations and you should be there to hear them, Hope to see some new faces there.

Happy Valentine's Day! Now is the time to show some appreciation for your loved ones and those you care for.

I can bet there are a lot of super bowl parties planed. I can only imagine how this game will turn out. I hope it is to your liking but above all stay safe.

Yours in Lionism,
VDG Dennis

From the Desk of 2nd Vice District Governor Bill Higgins, Jr.....

As I type this message for the newsletter, I am in the midst of my first State Council Meeting in Bethlehem, PA. It has been quite an eventful and informative weekend. I must admit to feeling a little overwhelmed right now. Fortunately, I have met a lot of great Lions from all over the Commonwealth of Pennsylvania; many of whom I will be calling upon in the future to help me lead the Lions of District 14-L as District Governor.

As I have mentioned in my previous messages, my primary focus as District Governor will be growing our membership. I will be doing everything I can to support DG Larry Edwards, and VDG Dennis Clark, in their membership growth efforts. Last month, I attended a

fantastic facilitator training on a program entitled "Club Excellence." In the coming months, I expect that your club will be given an opportunity to participate in the "Club Excellence" program. I urge you to take full advantage. The program will provide you and your club with excellent tools for expanding your club's membership ranks.

Lastly, both Amy and I are extremely grateful for the support we have received from Lions throughout the District. While the winter weather, and other work related matters, have interfered with plans to get out to many of our clubs, I still intend to visit at least half our District's club meetings during my tenure as 2nd Vice District Governor. If there is a particular club event that you would like me to attend, please send me an email at higginslaw@earthlink.net, and I will make every effort to accommodate your request.

In the meantime, never forget our motto, "We Serve."

Bill Higgins, Jr.

2nd Vice District Governor (14L)

Miscellanies Tidbits

ATTENTION CLUB SECRETARIES: All outstanding tickets for the Spring Rally raffle *need to be sold with the stubs and checks returned to DG Larry ASAP*. PS: Please do not send cash. Thanks for your efforts in supporting our District event.

With the New Year and Club Elections coming sooner than we all think, this is a good time to get on board with electronic reporting of your MMR's. Do you need help with this? Contact PDG Gerald Chapman, DG Larry or other Cabinet members to help you. You will save time, money and become more efficient in your club operations. If you receive e-mail and still get a paper newsletter, please consider providing your e-mail address to PDG Gerald Chapman to add your newsletter to the electronic mail list. With paper, postage and times costs increasing, we need to move more to electronic mail. Thanks in advance for your consideration.

The next Cabinet Meeting February 13th, 2011 is an excellent opportunity for Club Presidents and Secretaries to attend and learn more about what is happening in your District. There will be a presentation about the newest Lions effort to assist clubs, Club Excellence along with the presentation of the District Peace Poster winners as well as taking care of District business. Consider coming out and learning while meeting your Lion peers. (See the included sign-up form in this newsletter)

Statewide Lions Membership Contest

The MD14 Membership Contest approved by the Council of Governors went into effect on July 1, 2010. The purpose of the contest is to foster a spirit of completion at a variety of membership levels. This will help grow our numbers, and will increase the amount of service that we can provide to those less fortunate. Here are the details of the contest. Time frame: **July 1 thru March 31**. Winners will be honored at the Key Member Breakfast at the MD14 Lions State Convention in May (meal included at no cost to the winners). A special pin has been designed for the first and second place winner in each category. The numbers apply to new members submitted to Lions International during the contest time frame. New club Charter members are excluded from the totals. The number totals must be submitted by the individual lion, club or district to the MD14 Membership Chairman no later than April 10 by email or mail. Lion Dan Swincinski, 246 Rock Cut Road, Central City, Pa 15926 or danswin1022@comcast.net. Only those numbers submitted qualify for the contest. **There are six categories:**

- Individual Lion recruiting the highest number of new lions
- Current District Governor recruiting the highest number of new lions
- Past District governor recruiting the highest number of new lions
- International Director or Past International recruiting the highest number of new lions
- Individual Lions Club with the highest number of new lions recruited
- Individual District with the highest number of new lions recruited.

Southern Huntingdon County High School January 10, 2011

Today was a great day at the Southern Huntingdon Leo Club's first official meeting. The club has been inactive for the past six years due to the previous advisor retiring. It was time to get the club back up and running and with a little help we were able to do so. The high school principal, Ms. Kaltreider, was more than happy for us to restart the club. She knows of the Lion's work, and said this is the kind of influence that the students need. She loves to see the students get involved with community projects and develop into young leaders in our community. The following Lions came to talk to the students: Lion George Harper who ran the Leo Club before he retired, Past District Governor Lion Don Mills and his wife Lion Josephine. Don is the current Leo chairman for District 14 - L, and Lion Michael Brown who is the current advisor for the club. It is great to report that we had a total of 27 students show an interest in becoming Leos. We were introduced to the students by Ms. Kaltreider, and then we began sharing facts about Lions Clubs International and what we do. The history of the Leo Clubs was reviewed, along with the activities of Leo Clubs. Suggested goals were shared for the club, and what the Leo Club could do to help their community and fellow man. PDG Don added more details about the Leo Clubs and shared what the Bellwood Antis Leo Club has done, and their current projects. Lion George spoke briefly of his experience with the Leos, and that he was happy to see such a nice turnout for the first meeting. As we wrapped up the meeting the students made their first official decision. We discussed colors for the shirts to represent the Southern Huntingdon Leos and decided on Burgundy/Gold as our colors. There are eight prospective students interested in holding officers position. Overall, the positive attitude that the school has for the club, the extreme cooperation shown by everyone, the help from fellow Lion's members, and the response of interest from the students made for a great first meeting.

Lion Michael Brown, Vice-President Three Springs Lions Club & Southern Huntingdon Leo Club Advisor.

The MTI PhotoScreener detects vision disorders that can lead to amblyopia including near-sightedness, farsightedness, astigmatism, strabismus, and cataracts. No other adequate methodology to identify serious eye disorders in infants, toddlers and other difficult-to-screen children exists.

The PhotoScreener works effectively on young children and developmentally challenged individuals without dilation of the eyes or head restraint. Amblyopia or "lazy eye" is the leading cause of monocular blindness.

It develops rapidly in the first three years of life and is **treatable if detected early**, usually by age five. Most children get their first vision test at age 5 or 6, often too late for corrective treatment of amblyopia. By the time the child reaches seven years of age, treatment for amblyopia is virtually ineffective and blindness can occur.

Please consider a project during December & January to help relieve hunger in your community. Finish up by reporting on the LCI Web activity site.

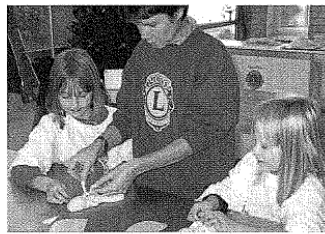

**20 PROJECT IDEAS FOR
RELIEVING THE
HUNGER**

1. Sponsor a community food drive to replenish a local food pantry.
2. Volunteer to deliver prepared meals to elderly citizens.
3. Organize a feeding program at a local school to provide healthy, nutritious meals.
4. Prepare and deliver food baskets to families in need.
5. Serve meals at a soup kitchen or homeless shelter.
6. "Adopt" a family that is struggling to put food on their table. Take them shopping for fruits and vegetables.
7. Organize an event to benefit the food bank in your community; use cans of food as admission.
8. Hold a hunger walk and use proceeds to buy food for a children's orphanage or shelter.

9. Create snack packages to be distributed to children in need.
10. Collaborate with other service organizations in the community to take turns hosting a meal for needy people.
11. Partner with local restaurants or food markets. Pick up donations of fresh food items for a women's or children's shelter.
12. Create a cookbook of inexpensive, easy-to-make recipes.
13. Start a food co-operative to serve as a resource for healthy food at a more affordable price.
14. Help plant a community garden so local residents can harvest their own food supply.
15. Collect infant formula and baby food for an organization serving young mothers at risk.
16. Provide a healthy snack or meal for a group of needy children who are in an after-school program.
17. Work with healthcare professionals to provide free classes on nutrition and food preparation.
18. Provide apples or another type of fruit as a healthy snack for children in childcare facilities.
19. Provide transportation for elderly residents so they can shop for food.
20. Teach children to bake a loaf of bread that they can take home to their family.
