**THE NEWS BOARD
MOVING PIECES TO GROW TOGETHER**

JUNE 2010 ISSUE

FROM YOUR DISTRICT GOVERNOR

Lions, Lioness, and Leos,

This is the last newsletter of my year as District Governor. Where has the year gone?!?

I have met so many hard working men and women in our District. Members with 50 and 55 years of perfect attendance; members who, in declining health, still step up and assist those in need, members who ask someone to join their club at least once a week. I've heard about advances in research, that Ginkgo trees grow in our area (and alongside the reviewing stand at the State Convention Parade), picked up several recipes for my mother (love the coconut baked corn!), and enjoyed every moment I've spent with all of you! I offer many thanks to all of you for your warmth and kindnesses that you have shown to me and my parents, when they've accompanied me. As they told me, I made many friends that will last a lifetime. (Don't you just hate it when the parents are right?!?) I look forward to meeting all of you again in the future.

I am happy to offer my congratulations to PDG Gerald Chapman and PDG Murray Laite, who received Leadership awards from International President Eberhard Wirfs at the Pennsylvania Lions State Convention. Both Past District Governors received these awards for their faithful dedication to getting a new Lions Club in Lewistown. PDG Murray has worked toward this goal for the last few years! I am also happy to congratulate PDG Norm Burdge on receiving the Presidential Medal from IP Wirfs, again for his tireless efforts with the Jacks Creek Lewistown Club. Currently we have three PDG's working to get a club started in the Claysburg area. Let's hope that this club becomes a reality, too. As we close this year, we have only begun to turn around our downward slide in membership. Twenty percent (20%!) of our membership has been lost in the past decade. We have all be lax in attending to recruitment and retention. Let's make DGE Larry's year a special one. One where District 14-L is in the black membership-wise for a change. Each Lion should make it a point to work toward that goal.

In closing, I would like to offer my best wishes to DGE Larry and Lion Susan for the year 2010/2011. I sincerely hope that this coming year sees a fulfillment of your wishes and desires for our District. Enjoy your trip to Sydney, Australia, and your year as District Governor and partner in service. It will hold surprises, joys, and frustrations, but will be a journey that will be priceless. I will be honored to assist with anything you ask, and hope that all others Lions in the District will do the same.

Yours in Lionism
DG Kathy

Vice District Governor Candidates
Step Forward - talk to the MERLOW team. We are here to help.

FROM YOUR VDG - DISTRICT GOVERNOR ELECT

First of all let me say congratulations to the Jack's Creek Lewistown Club on their 1st Charter Evening. Lot's of good things have been said about the club, early projects and the level of enthusiasm shown by club members. Keep up the great work.

I hope that all clubs have held their elections and are in the planning stages for the new Lion year. Don't forget to send your PU-101 forms into LCI and DG Kathy and I. I am also trying to put finishing information into my directory and plan for the next year and need all club officers' listings. To all club officers, please make an all out effort to participate in District functions. Your input is wanted and is helpful. Remember there is a team of Cabinet members waiting to assist in any way. Please call on the MERLOW Team for help.

Our District is still in need of a 1st and 2nd Vice District Governor for the coming year. Please consider the opportunity to step up and help your District. DG Kathy, PDG's and I can answer many of your questions about. It is important that we fill these spots ASAP to provide the future leadership for our District and to help with the strategic direction of Lions International. Give any of us a call to talk about.

As school ends and summer is not far off, don't let down your Lion spirit. Keep those service projects and new members coming. This is a great time to invite a prospective member to a picnic or other Lion event to see what we do. Plant the seed early to grow into a new member over the summer months.

Yours in Lionism,
DGE Larry VDG

Help is needed to make sure the pit is ready, and to carry the charcoal and chicken up the hill to load the racks. Special recipe spray is cooked.

Breakfast is served – PDG Bill needs to know about how many are coming.

Each piece of chicken is inspected and placed on the rack. Turn and spray – turn and spray– turn and spray

Serving tables and servers are also needed. This is no small task, so make plans to help.

PDG's Bill McLaughlin and Wib Hite represent District 14 – L at Beacon Lodge. Let's support them, and PA Lions Beacon Lodge.

BEACON LODGE 500 CLUB

The Beacon Lodge 500 Club is a great opportunity for an individual Lion, Lioness, Leo, or non-Lion to make a personal contribution to PA Lions Beacon Lodge Camp. All monies given through this club go toward building and property maintenance of Beacon Lodge. Funds are used for every day issues like when a toilet breaks or a sidewalk needs repaired, to the big stuff, like making a bathroom handicapped accessible or putting a new roof on a building.

The idea of the 500 Club is to donate at least \$5.00* a year to support the camp.

Membership is renewable annually. Yearly memberships begin October 1 of each year.

A donation of \$5.00* or more per year entitles the individual to a Membership card and an attractive pin. (first year = pin and card, renewal = new card)

- A donation of \$100.00* or more, entitles individual to a Life Membership card and a special Life Membership lapel pin.
- Twenty-five years of continuous membership will also entitle an individual to a Life Membership

Membership may be obtained from any board member of PA Lions Beacon Lodge Camp. Each district in multiple 14 has at least two (2) board members.

Revised Suspension Policy

In April, 2010 the Board of Directors approved an amended policy, effective July 1, 2010 that affects Clubs that have not paid their club balances on time. The policy is as follows:

A Club which has an unpaid balance in excess of US\$20 per member or US\$1,000 per club, whichever is less, outstanding past 120 days will be automatically suspended including the charter, rights, privileges, and obligation of the Lions Club. In the event, the Club does not reach an active status by the 28th of the following month the club's charter would be automatically canceled.

Suspension is the temporary deferment of the charter, rights, privileges and obligations of a Lions club due to an unpaid balance.

Clubs on suspension shall not:

- (a) Conduct service activities
- (b) Conduct fund raising activities;
- (c) Participate in district and multiple district functions or seminars;
- (d) Participate in any voting procedures outside of the club
- (e) Endorse or nominate a candidate for district, multiple district and international office;
- (f) Submit Monthly Membership Report and report forms;
- (g) Sponsor a Lions club, or organize a Leo or a Lioness club.

Clubs on Suspension shall:

- (a) Hold meetings to discuss the future of the club and identify the steps needed to regain an active status.
- (b) Make payments to clear the existing outstanding balance, or request a payment plan.

This revised policy has serious consequences for clubs that are in arrears in paying their club balances. This policy could affect Clubs that have as little as two per-capita billings or less unpaid at 120 days. Clubs placed on suspension may regain an active status by sending payments sufficient to pay the balance. A re-activation report will not be required to regain an active status, however, officers should immediately review

and update the membership roster after a Club is released from Suspension.

Dues are the primary source of income used to support the programs and services provided to our membership. Regular and prompt payment is expected to ensure continued support of this great operation.

Please feel free to contact us at membershipbilling@lionsclubs.org should you require additional information. We hope all clubs will review their statements regularly, and will send the necessary payments to ensure their good status is protected.

Editors Note: The credentials committee at the PA Lions State Convention sees the clubs with unpaid accounts. The members of some of the clubs in District 14 - L do not know their officers aren't paying the club bills. Please check to make sure LCI has the correct address for your officers. Another reason PU 101's are very important.

There are only a few clubs with bills over 90 days or more in arrears. It is in the club's best interest to pay the bills and keep the charter.

You also risk losing the insurance umbrella of Lions International at your projects without a charter. Note the restrictions on activities.
