## 14 - L SERVICE GROWTH NEWS

LIONS INVESTING IN SERVICE

JUNE 2011 ISSUE

## A MESSAGE FROM YOUR DISTRICT GOVERNOR

Greetings all Lions, Lioness and Leos,

Well, maybe Spring/Summer is here. On this past Memorial Day weekend it did certainly feel like summer. With the wrap up of spring how did our clubs do with the Global Service Project, Helping our Environment? Clubs that completed a project should be sure to report it to our newsletter editor PDG Gerald and also on the LCI site. Remember that we need to spread our message and let others know what our Lions are doing.

At the State Convention in May a number of great things happened. Those attending were able to meet and hear one of the more dynamic Lions in the world, our International president Sid Scruggs. On most occasions when he was in a meeting and was introduced, he said introduce me as Lion Sid. After serving in all of the offices that he has held in Lions, he is still a Lion first, serving others. A great example to follow. We had two of our District PDG's Lions "ole" Bill McLaughlin and Mike Turek receive International President's Awards for service from President Scruggs. That highlighted the International Banquet Saturday evening. Congratulations again to both well deserved. Also congratulations to Lioness Juda Markle of the Bedford Lioness Club as being recognized as District 14-L Lioness of the year. Keep up the great work. DGE Dennis Clark sat on his first State Council meeting as a full Council member and was presented his District Governor pin at a recognition dinner on Sunday. Our District was well represented at the convention. The missing link was many of the Lions from our clubs. If possible plan to attend in 2012. It is a great learning experience and a way to meet may experience Lions.

On May 14<sup>th</sup> the District held a successful Club officer Training session at the Hollidaysburg Lions Club Building. PDG's Gerald and Fred did a great job getting some new and some not so new officers off to a good start for the coming year. There is another session on Saturday June 11<sup>th</sup> at Allenport Lions Club Building, 9 AM. Let DGE Dennis Clark know if you can attend. We are

never too old or new to learn. Please take advantage of this opportunity.

As Lion Susan and I are winding up our year, we still have one full month remaining to support clubs and help where we can. My hope is that we move the membership needle a few notches in June and end up with a positive growth number. District Cabinet Team, Club Officers and Lions all are being ask to bring in that friend, neighbor, co-worker or relative that you have been thinking about all year. No time like the present to invite them to become a member of the world's largest non-profit service organization.

I hope to see many of our District Lions at the Popeye Fleck Fishing Derby and Lions Appreciation Day at Beacon Lodge. Several great opportunities to see in action what we support. If you have not attended either in the past, please consider, you will not regret the trip. Details are in the newsletter.

Until my wrap up next letter, keep moving forward in Lions.

Yours in Lionism, DG Larry

**FROM YOUR DISTRICT GOVERNOR ELECT**

Summer is now here and it is hotter than I like, the weeds in the garden are growing faster than the plants and the flowers beds are showing their colors. Now for the grass I am tired of mowing it already.

We had a great State Convention held in Cranberry that is outside of Pittsburgh, great place for the event. We got to meet the International President Sid Scruggs and his wife, we shook his hand and talked about Lions in Pa...President Scruggs took time out of his busy schedule to speak to the Lions at a few of the seminars and at the Evening banquet, Great guy. We even got to meet Larry the Cable Guy (GETTER DONE) he stopped by one evening party to share his time with us. The convention was well attended by 14L and every Lion needs to experience the fellowship of the convention. I also wish to congratulate PDG OLD Bill McLaughlin and PDG Mike Turek on their receiving prestige awards.

Now is when the clubs that sponsor Leo Clubs need to be talking to the graduates and moving them into your own club before they lose the Lions spirit. With summer starting and vacations being planned some clubs will be slowing down and other will just begin to really swing into making their moneys for the year. So in closing let's try to stay in touch with each other and have a good summer time.

Yours in Lionism, DGE Dennis

## District 14-L Club Officer Training

2011 – 2012 Lions Club Officers (Presidents, Vice Presidents & Secretaries) and other interested Lions are encouraged to attend one of the two training sessions being provided. It is important that a representative of each club that has the ability to use a computer and internet attend. As we move more into the world of electronic reporting both LCI and the District rely on electronic reports. We can help to make this easy for your club.

24th Annual Lions International Peace Poster Contest

Children Know Peace

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

**How the Contest Works**

Lions clubs sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2011. Participating students are asked to create posters visually depicting the contest theme, "Children Know Peace."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

**Awards**

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to the award ceremony at Lions Day with the United Nations (subject to change). At the ceremony he/she will receive a cash award of US\$5,000 (or local equivalent) and an engraved plaque. Two family members (one being the winner's parent or legal guardian) and the sponsoring Lions club president or a club member (as designated by the club president) will accompany the winner to the award ceremony. The award ceremony is scheduled for March 2012.
- **23 Merit Award Winners** each receive a cash award of US\$500 (or local equivalent) and a certificate of achievement.

**How to Enter**
